Sec. 6901 et seq.; the Federal Water Pollution Control Act, 33 U.S.C. Sec. 1257 et seq.; the Clean Air Act, 42 U.S. C. Sec 2001 et seq.; the Comprehensive Environmental Response Compensation and Liability Act of 1980, 42 U.S.C. Sec 9601 et seq.; or the Hazardous Waste Cleanup-Model Toxics Control Act, RCW 70.105D, all as amended and subject to all regulations promulgated thereunder. Hazardous substances, for purposes of this Contract, shall not include any material excepted from the definition in the relevant regulations, including, for example, by reason of its small quantity or ordinary presence.

#### **3.10.2 INDEMNIFICATION**

Contractor shall indemnify and hold Port harmless from any and all claims, demands, judgments, orders, or damages resulting from the use of Hazardous Substances by Contractor or its employees or the failure of Contractor to properly handle, store, recover, and dispose of Hazardous Substances as part of its performance of this Contract.

#### **3.10.3 REGULATORY REQUIREMENTS**

Where the nature of the work performed by Contractor under this Contract shall involve Hazardous Substances, Contractor agrees to promptly, timely and completely comply with all local, state, and federal government regulations, including those identified in Section 31.1 ("Definition"), for reporting, handling, storing, recovering, or disposing of Hazardous Substances.

### **3.11 INDEMNIFICATION**

To the maximum extent permitted by law, Contractor shall indemnify and hold harmless the Port and its officers, agents, and employees from any and all suits, claims, penalties, or damages arising from Contractor's negligent act or omission or willful misconduct except to the extent caused by the negligence or willful misconduct of Port. The provisions of this paragraph shall survive the termination of this Contract.

### **3.12 INSURANCE**

Prior to the commencement of services, Contractor shall obtain, and maintain in force at all times during the term of this Contract, insurance for Workers' Compensation, General Liability, and Auto Liability.

#### **3.12.1 COVERAGE**

The insurance required pursuant to this subsection shall have the following coverage: Prior to the commencement of services, Contractor shall secure, and maintain at all times, such insurance as will protect it from claims under Title 51 RCW (Industrial Insurance) and providing the following:

- a) Workers' Compensation coverage meeting the requirements of, and sufficient to protect itself from claims under, Title 51 RCW (Industrial Insurance);
- b) Commercial General Liability coverage naming the Port as an Additional Insured with limits of \$1,000,000 per occurrence and \$2,000,000 aggregate; and
- c) Automobile Liability coverage for owned, non-owned and hired vehicles of \$1,000,000 combined single limit per accident.

#### **3.12.2 ISSUING COMPANY**

All policies shall be issued by responsible insurance companies authorized to issue insurance in the State of Washington and rated "A-" (Excellent) or better and be of financial size category "VII" (\$50-\$100 million policyholders' surplus) or equivalent successor rating as defined by A.M. #### **3.12.3 PROOF OF INSURANCE**

Upon execution of this Contract, Contractor shall deliver to Port a Coverage Summary, Binder, or other similar document showing the carrier, policy number, name of the insured, effective period, coverage, limits of liability, and, if applicable, the project name and/or number. Furthermore, where it is required to name Port as an "Additional Insured", Contractor shall also deliver to Port an endorsement showing the policy number and name of the additional insured (ACORD forms not acceptable).

### **3.13 LIQUIDATED DAMAGES**

Unless otherwise directed by Port, if Contractor shall fail to mow any lawn area within nine (9) business days of the prior mowing during the months of May, June, July, August, and September, Contractor shall be liable for liquidated damages in the amount of thirty-five dollars (\$35) for the buildings at 110 E Bingen Point Way and 118 E Columbia River Way, twenty-five dollars (\$25) for the buildings at 139 E Columbia River Way and 154 E Bingen Point Way, and forty-five dollars (\$45) for the entrance to the Dallesport Industrial Park.

The parties agree that quantifying losses arising from Contractor's failing to meet the minimum schedule for mowing is inherently difficult insofar as such delay may impact the general health and appearance of Port's grounds and further stipulate that the agreed upon sum is not a penalty, but a reasonable measure of damages given the nature of the losses that may result from delay. These liquidated damages are intended to cover losses suffered by Port in the event Contractor or its employees fail to meet the minimum schedule for mowing. Liquidated damages shall not apply to other forms of damage.

### **3.14 NO OBLIGATION**

A response to this RFQ does not constitute a contract with Port and no recommendation or conclusion concerning Contractor resulting from this RFQ shall obligate Port in any way except through execution of the contract.

### **3.15 NON-DISCRIMINATION**

During the performance of this Contract, Contractor shall comply with all applicable state and federal nondiscrimination laws, regulations and policies. Contractor shall not discriminate against any employee, applicant for employment, vendor, or customer/client because of race, color, gender, religion, national origin, creed, marital status, or mental or physical handicap.

### 3.16 NON-WAIVER

No failure of either party to insist upon the strict performance of any provision in this Contract shall be construed as depriving that party of the right to insist on strict performance of such provision or any other provision in the future. No waiver by either party of any provision of this Contract shall be deemed to have been made unless expressed in writing and signed by the party who is alleged to have waived a right. No payment to Port from Contractor after any breach shall constitute a waiver of any such breach or any other breach.

### 3.17 OTHER WORK

Port shall have the right to perform, or have performed, similar or such other work as it may desire while Contractor is performing work. Contractor shall coordinate its work with that of others when required. Any claim of interference or delay due to other work must be made to Port within ten (10) calendar days of occurrence or such claim shall be deemed waived.

### 3.18 OWNERSHIP

All materials submitted as part of the Contractor's response become the property of the Port and the Port shall have the right to use any of the information presented therein. The selection or rejection of a response does not affect these rights. All response materials are subject to disclosure pursuant to the Public Records Act (RCW 42.17).

### 3.19 PARTIAL INVALIDITY

If any term or provision of this Contract or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Contract, or any application of such term or provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Contract shall be valid and be enforced as written to the fullest extent permitted by Law.

### 3.20 PAYMENTS
