George recommended that the Port take a look at our Capital Expenditure Plan, and if there were projects within the next two years that required funding, it could be rolled into this bond issue. Exec. D Sherwood stated that the needed financial data could be pulled together, and the bond process completed within about six weeks. PC Deo wanted an opportunity for all PCs to discuss the amount that the Port would go for. The PCs discussed the costs of getting bonds.</p> <p>Exec.
